

## Kitchener Tech Connects

### Free Tech Courses for Seniors – May 2022

The City of Kitchener is offering older adults free essential technology training and a technology lending library. The goal of this program is to improve social connections and access to information during the COVID-19 pandemic and into the future.

We are excited to offer these **free tech courses** for older adults in our community. These programs are offered in person **or** virtually using Zoom.

Course	Description	Dates
<b>Zoom for Beginners</b>	Learn the basic skills needed to participate in online Zoom video meetings which are becoming very popular in both the social and business communities. This training program is intended to help you get started and become comfortable chatting with and seeing the smiles of the family and friends that you miss. Instruction is provided by Volunteers from the Bits & Bytes Computer Club.	<b>Virtual</b> Tue May 10; 1:30-3 pm – Part 1 Thu May 12; 1:30-3 pm – Part 2
<b>Intro to iPads</b>	Participants will learn the physical parts of the iPad, how to take a 'selfie' and common apps. We will also be exploring the Internet using Safari where we will search for videos, library books and the news. iPad or iPhone required for this 3-hour course	<b>In person – Downtown CC</b> Mon May 2; 1-2:30 pm Thu May 5; 1-2:30 pm
<b>Intro to Chromebooks</b>	Participants will learn about the physical features of a Chromebook, its basic functionality and how it differs from other laptops and devices. We will explore the Chrome Browser and learn how to use it to gain access to common websites. Any device can attend this course.	<b>Virtual</b> Fri May 6; 1-2 pm Fri May 13; 1-2 pm
<b>Intro to the Internet</b>	Participants will learn common terms related to using the internet, ways to access the internet, common purposes for using the internet, how to 'google' effectively, how to locate and save favorite websites, and basic safety practices for being online. Any device can attend this two-day course.	<b>Virtual</b> Tue May 10; 10:30-11:30 am Thu May 12; 10:30-11:30 am
<b>Intro to Email</b>	Participants will learn about the effective and safe use of email - various platforms, uses, account set up and maintenance, best practices / etiquette, phishing and personal protection. Any device can attend this two-day course.	<b>Virtual</b> Tue May 17; 1-2 pm Thu May 19; 1-2 pm
<b>Stay Safe Online</b>	Participants will explore why and how to maintain safe online practices, the importance of safe passwords, examine common scams and how to recognize and avoid them, and how to stay current with their digital literacy. Any device can attend this two-day course.	<b>In person – Downtown CC</b> Tue May 24; 1-2 pm Thu May 26; 1-2 pm
