

Kitchener Tech Connects

Free Tech Courses for Seniors – October 2021

The City of Kitchener is offering older adults free essential technology training and a technology lending library. The goal of this program is to improve social connections and access to information during the COVID-19 pandemic and into the future.

We are excited to offer these **free tech courses** for older adults in our community. These programs are offered in person **or** virtually using Zoom.

Course	Description	Dates
Zoom for Beginners	Learn the basic skills needed to participate in online Zoom video meetings which are becoming very popular in both the social and business communities. This training program is intended to help you get started and become comfortable chatting with and seeing the smiles of the family and friends that you miss. Instruction is provided by Volunteers from the Bits & Bytes Computer Club.	Virtual Tues Oct 5 1-2:30 pm – Part 1 Thu Oct 7 1-2:30 pm – Part 2
Intro to iPads	Participants will learn the physical parts of the iPad, how to take a 'selfie' and common apps. We will also be exploring the Internet using Safari where we will search for videos, library books and the news. iPad or iPhone required for this 3-day course	In person – Downtown CC Sat Oct 16 9:30 – 11 am Sat Oct 23 9:30 – 11 am
Intro to Chromebooks	Participants will learn about the physical features of a Chromebook, its basic functionality and how it differs from other laptops and devices. We will explore the Chrome Browser and learn how to use it to gain access to common websites. Any device can attend this course, the 2 nd day is for those with a Chromebook	<i>This program will return in November & December!! Stay tuned for details.</i>
Intro to Email	Participants will learn about the effective and safe use of email - various platforms, uses, account set up and maintenance, best practices / etiquette, phishing and personal protection. Any device can attend this two-day course.	In person – Downtown CC Mon Oct 18 1-2:30 pm Mon Oct 25 1-2:30 pm
Intro to the Internet	Participants will learn common terms related to using the internet, ways to access the internet, common purposes for using the internet, how to 'google' effectively, how to locate and save favorite websites, and basic safety practices for being online. Any device can attend this two-day course.	In person – Downtown CC Tue Oct 19 1-2:30 pm Tue Oct 26 1-2:30 pm
Stay Safe Online	Participants will explore why and how to maintain safe online practices, the importance of safe passwords, examine common scams and how to recognize and avoid them, and how to stay current with their digital literacy. Any device can attend this two-day course.	Virtual Thu Oct 21 1:30-2:30 pm Wed Oct 27 1:30-2:30 pm
