

## **Portable Computing Group, Basics Rotation, Wed., Jan 9, 2013**

Here are some links we may refer to during our meeting.

### 1. Windows Explorer

<http://www.dummies.com/how-to/content/how-to-use-windows-explorer-in-windows-7.html>

The basic functions of Windows Explorer

<http://www.gpssoftware.com/kb/q01-1035.htm>

A bit more detail about Windows Explorer

<http://uis.georgetown.edu/win7/win7.winexplorer.html>

### 2. File Save Box

XP Save Box

<http://www.dummies.com/how-to/content/how-to-save-files-in-windows-xp.html>

Save a file, Word for example

[http://www.homeandlearn.co.uk/word2007\\_2010/s1p4.html](http://www.homeandlearn.co.uk/word2007_2010/s1p4.html)

Lost a file?

<http://lifehacker.com/5815144/how-to-find-a-file-you-just-saved-thats-now-missing>

### 3. List of "Dummies" articles for Seniors

<http://www.dummies.com/Section/Content-Search.id-324209.html?query=for+seniors>
