

Research Participants Required

You are invited to take part in a research study that's investigating men and women's views on robots in the home

What would you have to do?

- Participate in a face-to-face 30-60 minute interview. During the interview we would discuss:
- Your experiences with intelligent technology (i.e. smart phones and computers)
- Your thoughts and ideas on a scenario in which you will be introduced to a domestic robot to help you out in your home

This research project is being completed by fourth year Laurier student, Shreya Shah, under the supervision of Dr. Josephine McMurray, Associate Professor at Wilfrid Laurier University. This project has been reviewed and approved by Wilfrid Laurier University Research Ethics Board (REB #5640)

ARE YOU
ELIGIBLE?
